As Result of Trouble With Executive City Will Treat Only With Individuals

LAST BREAKFAST THERE THIS MORNING

In Future Men Must Get Their Own Meals With Money From Work

Following recommendations from Streets Superintendent Alton and J. P. Hughes, in charge of the relief camp at the fair grounds, the committee on health and safety decided yesterday afternoon to close the dining hall this morning and to treat the 275 men there as individuals hereafter and not as an organization. For all of the men who for the past week have been working there a half-hour a day in order to secure two meals a day, will be given work orders by the streets department, which they will be paid one dollar a day. This money, they may spend in any way they choose, only they will have to provide their own meals and their lodging.

The attitude of the executive of the recently organized league of the unemployed was responsible for the action of the committee in closing up the city's relief camp. The streets superintendent Alton, every time he or Mr. Hughes went to the grounds and issued orders, "the executive committee kicked and tried to prevent the order from being carried out. For this reason, declared Mr. Alton, he was strongly in favor of closing the dining hall."

How With Cook. "Only half," said Mr. Hughes, "there was a row in the kitchen. The cook wanted something to eat and members of the executive ordered something different. These men were asked to know whether they were the kitchen and Mr. Alton had to tell them that they were not."

As long as we have the money and the work is needed," replied Mr. Hughes.

The "only thing," returned the executive member, "is that the source from which this suggestion came, to send a rat, Mr. Hughes, has threatened to get after the rink readers and the kickers out of the rink."

As long as we have the money and the work is needed," replied Mr. Hughes.

WHOLE PRODUCT TO ONE STORE

A factory which moved its plant from the old city of Guelph, Ontario, to Edmonton about six months ago, and began here with six hands in July, 1913, and now employs about 75, and by the end of 1914 expects to employ about 150. It is only a sample of the possibility of a beautiful combination of capital, industry and labor at Edmonton. But perhaps the most novel feature of the factory of the Bessy Manufacturing Company is the fact that the entire product of their plant which has a capacity of 200 garments a day is sold right here in Edmonton and to only one store, the James Ramsey Co.

The Bessy Manufacturing Company is the name of the manager. At present the produce of this factory includes gowns, dresses, skirts and children's dresses. The cloth is imported, some even from across the sea. It is piled in layers on the cutting table in quantities of 100, 200, 300, 400, 500, 600, 700, 800, 900, 1000, 1100, 1200, 1300, 1400, 1500, 1600, 1700, 1800, 1900, 2000, 2100, 2200, 2300, 2400, 2500, 2600, 2700, 2800, 2900, 3000, 3100, 3200, 3300, 3400, 3500, 3600, 3700, 3800, 3900, 4000, 4100, 4200, 4300, 4400, 4500, 4600, 4700, 4800, 4900, 5000, 5100, 5200, 5300, 5400, 5500, 5600, 5700, 5800, 5900, 6000, 6100, 6200, 6300, 6400, 6500, 6600, 6700, 6800, 6900, 7000, 7100, 7200, 7300, 7400, 7500, 7600, 7700, 7800, 7900, 8000, 8100, 8200, 8300, 8400, 8500, 8600, 8700, 8800, 8900, 9000, 9100, 9200, 9300, 9400, 9500, 9600, 9700, 9800, 9900, 10000.

DISVALUATION COMPLETION

Remarkable Suit for Damages Arising
Out of Roosevelt's Visit to
Italy in 1910

Turin, Italy, Jan. 14.—An echo of the visit to Italy of ex-President Roosevelt in 1910, was heard today when a suit for damages instituted by one hotel keeper against another was ended by the rejection of the claim. When Colonel and Mrs. Roosevelt made their "second" visit to Italy, they came from Capri to Rapallo, rooms were engaged for them at a hotel at Rapallo, but the proprietor of a rival hotel met them with a carriage decorated with American flags and drove them to his hotel. The disappointed hotel proprietor then instituted a suit against the other on the charge of "diplomatic competition."

BIG RUSH FOR NORTH WHEN FIRST TRAIN RUNS ON E.D. & B.C.

J. D. McArthur and Other Of-
ficials on Train That Inaugurates
Regular Service

200 WANTED TO GO, BUT ONLY HALF FIND ROOM

No Ceremony to Mark This Lat-
est Step in Opening Up of
the Northland

(From Evening Edition.)
With only a foot from the engine to make another step in the opening of the north country, the first train on the line of the Edmonton, Dunvegan and British Columbia railway pulled out of the company's yards at Edmonton yesterday a. m. It was an ordinary looking "mixed" train, consisting of a passenger coach, two freight cars, and a Pullman sleeping car. The train pulled out at 9:30 for the north, and marked the opening of a regular train service between Edmonton and that point.

In one of the passenger coaches were J. D. McArthur, president and owner of the road, W. H. Smith, chief engineer, and other officials of the line.

The opening of traffic over the line, which was expected by the officials of the line, was marked by a volume of business made up of the Twin City Transfer company should make passengers for the line, between the railway terminal at North Edmonton and the main party of the company was pressed into service to transfer the many passengers who wished to go north. So many were there, however, that a number of automobiles were brought into service.

No expectation of so large an amount of traffic at the new line was had by the company, who had provided only one coach on the line.

As a result nearly half of the two hundred persons who arrived at the depot were left to wait for the next train, which was scheduled to leave at 10:30 a. m.

A day or two, it is likely that the train service will be maintained for a few weeks at least, before the volume of traffic warrants a more frequent service.

The disappointed hotel proprietor then instituted a suit against the other on the charge of "diplomatic competition."

FOREMAN LOST LIFE IN UTILE EFFORT TO RESCUE WORKMEN

Double Tragedy Occurs at Canadian Furnace Company's Plant at Port Colborne, Ont.

HUNGARIAN WORKMAN FELL INTO BLAST FURNACE

Foreman Jumps Into Bell to Save Him But Is Himself Overcome

Port Colborne, Ont., Jan. 14.—Lester Brooks lost his life, and two others, Jack McCracken and Charles Gudek, narrowly escaped death today, in the effort to rescue the Hungarian workman who had jumped into the bell of a heated blast furnace at the Canadian Furnace Company plant here in an effort to rescue a Hungarian, named Joe Petro, who had slipped into the furnace while cutting ore.

The crash ore had become frozen at the summit of the furnace, and Brooks, who had charge of the night gang, went to the furnace to force it into the upper sill. The Hungarian, mistaking the furnace for a chamber, Brooks rushed to one of the dampers twelve feet below the roof of the furnace and jumped into the furnace, with the vain hope of saving the Hungarian, who was still in the furnace when Brooks was rescued. The men were burned and asphyxiated.

Following their chief, the remainder of the night gang, working near the furnace, saw the Hungarian workman jump into the furnace. Brooks had disappeared, but the furnace drove them back. Brooks and Petro lay outside of the ore, but out of reach. McCracken and Gudek, who were working near the furnace, saw the Hungarian workman jump into the furnace. Brooks and Petro were rescued, but McCracken and Gudek were not.

ADVANCE CALL
FOR SEATS HAS
BEEN ENORMOUS

Requests For Reservations For
Dominion Eskimos Game Are
Unprecedented

LOOKS LIKE RECORD
CROWD FOR THE ARENA

Dope on the League Offers no
Indication of How the Race
Will Finish

With the game still five days away
over 700 people have made applica-
tion for reservations in the big arena
next Wednesday evening. For a sport-
ing event the demand has been unprece-
dented. Deacon White did not antici-
pate any such rush and did not in-
tend to open the place to the public
until Monday, but as early as Wed-
nesday morning applications began to
come in and after a couple of days
it was decided to place the plan of
seats in Deacon and McNeill's this
morning.

The game between the Dominions
the Eskimos looks as though it would
be the turning point in the league, on
it hangs so far as can be seen at pre-
sent time, the championship of the
province, for it appears that the Ed-
monton team have a little advantage
over the southerners and the Edmon-
ton team that win goes up a notch.
Of course the Chinooks will lead the
league after their game with the Cen-
tral on Monday morning and the team
that wins on Wednesday will tie with
them. Then the Chinooks play the
Dominions in Edmonton and the Ed-
monton team have a little advantage
as that to make any substantial gain
on the race is nearly impossible.

No doubt at five o'clock this morn-
ing a line will begin to form at the
club store up McDougall to the north
pole or somewhere in that neighbor-
hood.

Both the Eskimos and Dominions
are making strenuous efforts to be in
the best possible shape. Deacon
White held another mass meeting at
which the question of smoking was
discussed, and the team will do with-
out their "fragrant" weed for many
weeks yet. With the championship so
close to them every man is striving
to be in the best shape.

But the Eskimos are not the only
ones to stop smoking. The Dominions
are training just as strenuously and
will be in splendid condition. They
are practicing every day and are

LANSING BONSHEI

By Bulletin Leased Wire.
LANSING, Oct. 15.—There is
no lack of interest in the local bon-
shei games as they proceed and the
rinks here. Hundreds are watching
the games night and day.

Big Braden, of Winnipeg, really
got into action this afternoon when
he took the first three ends of the game
before he began to score but when he
lost the fourth end he was forced to
retire. He was back in the fifth end
when he won the game. By ones, two
and four a few end, he finally accom-
plished the score of sixteen to Lan-
sing's five.

FREDDIE WELSH WINS

By Bulletin Leased Wire.
KANSAS CITY, Jan. 15.—Freddie
Welsh, the English left-wing, out-
pointed Mickey Sheridan, of Alton,
Ill., tonight. Sheridan seemed well
driven by Welsh's cleverness. The
only effective blow landed during the
rounds came in the fifth when
Welsh rebuked the Chicago man with
right and left to the head.

HOCKEY MATCH ON SOUTH SIDE TONIGHT
LAVALL AND DEAN WILL
BE WITH VARSITY AGAIN

By the time the Varsity team again meets the Pennants,
who look very much like the champions of the Northern
division, they will be strengthened by having back on their
line-up two of their best men. Dean has announced that
he will be back in the game next week, and Lavall, it is un-
derstood, will be reinstated by the University faculty, he
having made such laudable progress in his studies has to
have him removed from his athletic career. No doubt
will be experienced in securing his release from the Strath-
cona because Varsity claims he signed with that team on
condition that he would be released to Varsity at any time
he should regain his good standing. Captain Dean has been
of the team almost since their return from Winnipeg, and
his return will be a great addition to their forward line.

Allan Cup Holders Meet Defeat—
Final Score Was
5 to 3

By Bulletin Leased Wire.
Winnipeg, Jan. 15.—Turning up
with five new men last year's Allan
cup winners, the Winnipeg, gave the
Victorias the game of their life in a
senior hockey fixture here tonight. The
Vics managing to squeeze out a victory
by the score of 5 to 3. Only some
sensational work by the latter team
goal stopped the Winnipeg from get-
ting the long end of the score as they
outplayed their superior opponents
nearly all the way but wild shooting
and some stellar defense work by
the Vics kept them from putting
over a big surprise. The Vics won
their superiority in scoring
goals, they missing few opportunities
to reach a counter. Ralph Kelly, and
Caldwell at centre were the pick of
the winners. Turnbull, Anderson and
Henderson were effective for the losers.
The half time score was 2 to 1 for the
Vics and they clinched the play early
in the second period by setting the
back three to nothing. The line-up:

WHISMAN AT COAST

Roy Whisman is on the
coast at present, having left
early in the week. He expects to
manage the team in the Puget-
sound league and has been

play a similar circuit. With the

the best players left on the
team.

EDMONTON FIVE

FROM THE JAW

Local Basketball Team Antici-
pates Battle For the
Championship Tonight

Tonight the Edmonton and Mon-
ton basketball teams will play in the
Y.M.C.A. gymnasium for the cham-
pionship of Western Canada. The
game will be a hotly con-
tested one for the teams appear to be
evenly matched. The Mon-ton team
has a long string of victories behind
it in this year and tonight the
minute and half play worked down
to a manly struggle. The Edmon-
ton team has been practicing for
several weeks and will be
able to play a strong game.

At the Y.M.C.A. the game is being
watched with much eagerness because
the local boys are proud of their team
and hold strongly to the belief that
there are few teams in Canada that
can show them anything about the
game.

The advance side of seats has been
larger than was expected and the
number of seats left in the gallery
is not great.

The Mon-ton team will reach the
city this morning and rest up before
going on the floor tonight. During
the day the referee will be selected
and all arrangements made for the
game.

LAMY SEES TOMORROW

Edmund Lamy and his brother,
John Lamy, will arrive in Edmon-
ton this evening for their exhibi-
tion of skating at the theatre
tonight on Saturday. The challenge
of a good man for a year
has attracted considerable inter-
est and Lamy's acceptance or re-
fusal will be watched with eager-
ness. N. E. Clark, it is reported,
is willing to put up his \$1,000 as
bet on Lamy, accepts the chal-
lenge for the five mile test.

GERMANY REFUSES
GRANT TO OLYMPIC
GAMES AT BERLIN

BERLIN, Jan. 15.—The budget
committee of the imperial parliament
today rejected a request to appropri-
ate \$25,000 for the Olympic games to
be held here in 1916.

Opposition of the opposition was
due largely to resentment among
the Socialists over the government's
and a patriotic proclamation of the
workmen's gymnastic societies.

With the Curlers

DULUTH BONSHEI

By Bulletin Leased Wire.
DULUTH, Minn., Jan. 15.—Warm
center struck. Death, injury and
made the curlers play their games on
soft ice. Despite this fact the day's
draws were run off in scheduled time
with some curling good games were
played. The heavy ice caused some
upsets in the draws and tonight the
Coughlin rink of Superior is the
only undefeated rink in the bon-
shei. Carson, of Winnipeg, who led for
the grand aggregate yesterday until his
defeat by the McDermott-Rid rink
of Duluth, found the going hard to-
day on the watery ice and fell before
the McDermott rink of Grand Rapids 12
to 7. Williams, of Winnipeg, was an
other victim of the slow ice and lost
to McKelvey in a 10-5. Paul Volner
event. This puts all of the Winnipeg
rinks out of the running for the grand
aggregate although they will probably
carry away plenty of the jewelry. Mc-
Murry, of Port Arthur, still has a chance
for the aggregate, having been defeat-
ed but once in the open events. Tom
Levy, of Winnipeg, of the Veterans, of
St. Paul, and McNabb, of Grand
Rapids, who has been in the
Duluth Curling Club event today.

REGINA BONSHEI

REGINA, Jan. 15.—The provincial
bon- shei will be concluded tomorrow
at the final having been reached in
all events except the Veterans, in
which there is only a limited entry.
The final aggregate will be the
Young-Ton double rink competition.
The Francis rink was out in
the final against the Saskatoon
rink. Dick Ross kept on winning in the
final although he was defeated by
the Gordon-McKay, by Anderson,
Saskatoon. It was the latter's final
rink, evidently, as he then retired.
There were three games in a row. The weather
continued to be very heavy.

PORT BONSHEI

Good curling was much in evidence
at the Port Saskatchewan bon- shei
yesterday. Edmonton rink made
a good showing. The Grand Chal-
lenge will be finished this evening.
The following rinks got into the four-
round, Edmonton, 8; Varsity,
10; Port Saskatchewan, 10; and Al-
know, of the Port.

In the Merchants cup competition
was not so far advanced, only
two rinks being in the four at a lat-
ter yesterday afternoon. They were
Hastie, of Port Saskatchewan, and
Hastie, of Edmonton. The rinks
reached the fourth of the Graham
shield competition yesterday after-
noon and the other played that
last night.
